MoroccoAI

Annual Conference 2021

📋 **December 21-22, 2021**   📍 **Online**   🔗 **https://morocco.ai/conf21**

Call for papers

We invite submissions to the first edition of MoroccoAI annual conference (MoroccoAI 2021) and welcome papers from all areas of machine learning and deep learning.

All nationalities are welcome, and we particularly encourage Moroccan junior researchers and practitioners of AI to submit.

Technical Scope

We consider a broad range of subject areas related to machine learning and deep learning. Topics of interest include but are not limited to

- Statistical Machine Learning and Optimization
- Deep Learning and Neural Networks
- Natural Language Processing and Darija applications
- Computer Vision
- Speech and Signal Processing
- Ethics and AI for Social Good
- Computational Biology
- Datasets and Data Collection for Machine Learning
- AI Applications for Morocco

Submission Guidelines

All papers must be in PDF format and state the research problem, motivation, and technical contribution. Submissions may be up to 2 pages including all figures and tables, with an additional page for references. Submissions should be in a single column and typesetted using 11-point or larger fonts and have at least 1-inch margin all around. Works that do not follow these guidelines risk being rejected without consideration of their merits.

Submissions may be previously published, completed, or ongoing. All papers will be peer-reviewed by at least 2 reviewers in the area and accepted papers will be shared on the conference website.
